**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

## Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

## Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

## Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

**For First-Year Experience, College Success, and Student Development courses. Written specifically for 1 credit hour student success courses and/or those with blended and online students, it addresses the needs and challenges of students as digital learners. It aligns with learning outcomes from both the Student Success CourseConnect online course and MyStudentSuccessLab. Designed for use as a stand alone text or a print companion with one of these technologies for hybrid, online, or 1 credit hour student success courses.**

*The College Experience Compact* provides students with the “unwritten rules” for college success to help them develop a plan to handle any situation. Student success doesn’t just happen. Instead, it is a combination of motivation, preparation, knowledge, persistence, and relationships. No matter how prepared some students are for the academic challenges of college, they may not always be ready for the cultural challenges that include understanding professors’ expectations and navigating financial issues that are part of the experience. Written to provide clear, concise, and practical information and concepts through a unique Feature set, students are prompted to *review important college documents such as the syllabus*, consider how to *make good choices and maintain their personal integrity*, and *analyze their own situations and apply the content to new ones*. Specifically, students will learn what college expectations are and how to exceed them.
