It's Simple, Simon Simon Carter has achieved unimaginable success, but he owes it all to a man from his past whose scorn set fire to his ambition. "It's Simple, Simon. You lack ambition." As a young college student, his lover's jibe sent Simon Carter on unexpected paths and brought him unimaginable success. No longer a penniless musician, the highly paid investment banker returns home for the first time in years. His plans include rest, relaxation, and rubbing his ex's nose in his success. A visit to the Renaissance Fair brings this not-quite-so-simple- Simon nose to nose with his past and somehow revenge doesn't seem quite so attractive. Chase Garvin, Denver, Colorado's very own Pie Man, is still incredibly handsome. What's more, the more mature Chase is very appreciative of Simon's talents. When the old attraction flares between them, Simon and the Pie Man get caught up in tasting the wares, and neither counts the pennies.
