Making Sense of the New Testament (Three Crucial Questions): Three Crucial Questions Craig L. Blomberg

The New Testament is the foundation of the Christian church, but some question its historical accuracy. Others have claimed that Paul's teaching differs from that of the Gospels. How can we reconcile the seemingly different messages of Jesus and Paul? What is the relevance of the New Testament in our world today, in cultures far removed by time and space from the first-century Mediterranean world? What principles can we use to make appropriate applications?

In *Making Sense of the New Testament*, Craig Blomberg offers a reasonable, well-informed response to these crucial questions encountered by Bible readers. Grounded in sound scholarship but written in an accessible style, this book offers reliable guidance to pastors, students, and anyone interested in a better understanding of the New Testament.
