Men's Fraternity: Authentic Manhood: Winning at Work & Home - Viewer Guide by **Robert Lewis** challenges men to step forward, meet their responsibilities, and establish their manhood. This study focuses on the chief responsibilities men have as husbands, fathers, and breadwinners. Two mirrors are presented to help men evaluate how they are doing in life: the mirror of work and career, and the mirror of home and family. Participants will evaluate chief responsibilities of how a man successfully relates to a woman and how a man rightly engages in his work. (16 sessions)

Here is a plan for leading men in your church and community to win in life by helping them understand and undertake the challenges of both career and family. (Session 5 includes a frank discussion for men of sexual issues in a marriage. Leader should preview this session before showing.) Men's Fraternity is designed to bring Christian men together in a safe, comfortable setting where they can learn the true, biblical meaning of manhood and honestly share their challenges and concerns.

Designed in a fill-in-the-blank format, this workbook allows viewers to be actively involved in following each of the 16 sessions. Also includes questions for small-group discussion.
