Rodney Stone

Arthur Conan Doyle

Rodney Stone Arthur Conan Doyle

Set in 1851, and peopled by such famous names of that period as Beau Brummel, Gentleman Jackson and Lord Nelson, this historical novel seems at first to be a Dickensian coming-of-age story, but ultimately stretches into a sort of mystery. Young Rodney Strong, son of a naval lieutenant, goes to London to acquire polish at the hands of his uncle, a Corinthian dandy. He's soon followed to town by his boyhood friend, Boy Jim, the village blacksmith's nephew, who's bent on a career as a boxer, then an illegal but nevertheless popular sport, conducted bare-fisted. Ultimately, they become involved in the solving of a decades-old murder case.
