Sword of Allah (Black Samurai Book 7) Marc Olden

Insane with grief, Sand vows to destroy a terrorist cabal

Ever since he took the vows of the samurai, Robert Sand has been ready to die. But now, for the first time in his life, he has a reason to live. Her name is Ann, and he sits beside her, awaiting takeoff for Geneva, when terrorists seize the plane. Holding guns on the passengers and crew, they douse the cabin in liquor and light a fire that will burn until it reaches the gas tanks. The terrorists flee as smoke fills the plane, but one lingers—a Japanese killer with a vendetta against the black samurai. He puts two bullets in Ann's back, and even Sand's lightning reflexes are not fast enough to save her.

The Sword of Allah, the most feared terrorist organization on the planet, planned the attack. Its next operation threatens to turn the Cold War up to a boil, but they made one foolish mistake. Robert Sand is angry, and will have his revenge.
