“All of them?”

There's no one to help me. The village is too far away and my post is here in the woods. The Viking king says I will live if I show proper hospitality, but can I handle his entire crew, a horde of hungry and horny men ready to devour every hole I have? Is it right to give up my innocence to what amounts to little more than a monster and his brutal weapon? I must submit if the villagers are to have any chance, but given the hard flesh that awaits me, the question is, will I survive?

Warning! Contains a hot encounter between a group of **bloodthirsty Vikings** and a **pure** girl of eighteen summers, including themes of **gang menage** and **multiple penetration**. It is strictly for adults only.
