Despite a tumultuous childhood, Rezon was a happy boy. In a time when David was king of an expanding Israel and the lands of Zobah were ruled by the ruthless King Hadadezer, he grew up in a loving, caring family. In the Mountains of Fire, his family found safety and security, and he found love. It seemed as though the family would live peacefully in the mountains forever - but the insecurities of Hadadezer would not let them have peace. When his family and the love of his life are destroyed, Rezon descends into a life of hatred, fury and vengeance. But revenge is a two-sided sword, a destructive force which inhabits the entire being of its host...Will Rezon prevail against his foe? Or will his hunger for vengeance end up destroying him? Follow his story as he endeavours to survive in a world filled with biblical characters and real events. This story never happened...but it could have. The Bandit King, an epic tale of love, loss and revenge, will appeal to those with an interest in biblical history and skilful re-imaginings of historical events.
