The Talmud Unmasked: The Secret Rabbinical Teachings Concerning Christians L. B. Pranaitis

Many people who are interested in the Jewish question are wont to ask whether or not there is anything in the Talmud which is not beautiful and sublime, and entirely removed from anything like hatred of Christians. The confusion of opinion about the matter is so great, that to listen to those who argue so wisely about it, you would think that they were discussing a very ancient and remote race of people, and not the people of Israel who live in our midst according to an unchanging moral code by which the religious and social life of the Jews has been regulated to this day. This being so, I have undertaken to show what the Talmud really teaches about Christians, and thus satisfy the wishes of those who desire to find out about this doctrine from genuine original sources. To this end I have translated the best known Talmudic books which refer to the Christians, and have arranged these sources in such order as to bring out clearly the picture of a Christian as represented to the Jews by the Talmud.
