The Trail Of My Life, The Gene Espy Story Gene Espy

In recent years there have been many tales of life on the Appalachian Trail. The Trail has become synonymous with the call of the wilderness, the test of one's endurance, the ultimate escape from modern life. But back in 1951 when a twenty-four year old named Gene Espy from Cordele, Georgia, decided he wanted to walk the entire Appalachian Trail in one long hike, only one other person had ever done it. The Trail for thru-hiker was virtually un-tested waiting to be conquered. The Trail of My Life is the story of one man's journey from Georgia to Maine along the now-famous Appalachian Trail.
