Trusting in God used to come easy to rancher Deric Christy, but when lightening strikes, his faith is shattered. He falls prey to the voice of the enemy and finds himself the only suspect in a murder investigation. Dependent on a God fearing female physician, he soon realizes he can no longer run from the demons of his past. Times are tough for Dr. Faith Valentine. When she is asked to treat a stranger in town, her compassion will not let her refuse, but jealousy abounds, and there is a murderer who wants to keep a secret. Faith and Deric both must learn how to put the past behind them and allow God to work all things out for good. Meanwhile, Chase Colton, foreman on a neighboring ranch, attempts to convince his boss their love for one another can stand the test of time, if she will only say, "yes." Sequel to "Wild Heart" ISBN #1608132447.
