William Shakespeare and Others: Collaborative Plays (The RSC Shakespeare)

William Shakespeare and Others: Collaborative Plays (The RSC Shakespeare)

Among the plays staged at the Globe and published in Shakespeare's lifetime were *The London Prodigal* by William Shakespeare, *A Yorkshire Tragedy* written by W. Shakespeare and Thomas Lord Cromwell written by W. S. Could Shakespeare really have written these plays? Why were they excluded from the First Folio of his collected works?

Edited by renowned Shakespeare scholars Jonathan Bate and Eric Rasmussen and published in coordination with the Royal Shakespeare Company, this is the first edition in over 100 years of the fascinatingly varied body of plays that has become known as "The Shakespeare Apocrypha". Among the highlights are the whole text of *Sir Thomas More*, which includes the only scene from any play to survive in Shakespeare's own handwriting; the history play *Edward III*, including a superb seduction scene by Shakespeare; and the domestic murder tragedy *Arden of Faversham*, in which Shakespeare's hand has been detected by recent computer-assisted analysis. This is also the first ever Shakespeare edition to include the 1602 edition of Thomas Kyd's pioneering *The Spanish Tragedy*, with "additions" that the latest research attributes to Shakespeare. Included is a comprehensive account of the authorship and attribution of each play.

Featuring introductions and background on each play, key fact boxes with information on sources and the distribution of parts, on-page notes explaining difficult or obsolete vocabulary, and interviews with directors and actors who have staged the plays, this work will be an essential addition to the library of any Shakespeare buff.
