Blackbeard: The Real Pirate of the Caribbean

Robert Lee

Blackbeard: The Real Pirate of the Caribbean Robert Lee

Edward Teach, better known as Blackbeard, was one of the most notorious pirates ever to plague the Atlantic coast. He was also one of the most colourful pirates of all time, becoming the model for countless blood-and-thunder tales of sea rovers. His daring exploits, personal courage, terrifying appearance, and fourteen wives made him a legend in his own lifetime. The legends and myths about Blackbeard have become wilder rather than tamer in the 250 years since his gory but valiant death at Ocracoke Inlet. It is difficult for historians, and all but impossible for the general reader, to separate fact from fiction. Author Robert E. Lee has studied virtually every scrap of information available about the pirate and his contemporaries in an attempt to find the real Blackbeard. The result is a fascinating and authoritative study that reads like an exciting swashbuckler. Lee goes beyond the myths and the image Teach so carefully cultivated to reveal a new Blackbeard - infinitely more interesting as a man than as a legend. In the process, he has captured the spirit and character of a vanished age, 'the golden age of piracy.'

Judith Bowman:

On this era which is the greater person or who has ability in doing something more are more valuable than other. Do you want to become one among it? It is just simple method to have that. What you should do is just spending your time very little but quite enough to experience a look at some books. Among the books in the top record in your reading list will be Blackbeard: The Real Pirate of the Caribbean. This book that is certainly qualified as The Hungry Hills can get you closer in growing to be precious person. By looking upwards and review this e-book you can get many advantages.

Raul Miller:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Blackbeard: The Real Pirate of the Caribbean can make you feel more interested to read.
