## **Filarmonia: Manual de Estudio Musical (Spanish Edition)** Mr Ricchye Ric

La idea de este manual es que sea lo mas practico y contemporáneo posible a cualquier músico, a cualquier nivel y que sea parte de su curriculum de estudio. Al finalizar el estudio de este manual el músico estará en mejor posición con respecto a la teoría musical y a la ejecución de sus instrumento en cuanto a la creación de escalas contemporáneas incluyendo los Modos gregorianos que es un tema que no se cubre mucho en otros libros de teoría musical y que tantos músicos están tan interesados en aprender.
