Abby, a curvy girl with luscious milky jugs, find herself at a hucow dairy farm. Will she give in to the delicious life of being a human cow?

Abby has come of age and it's time to let her join the hucow herd. When she becomes skittish about the big machines the farm has for just that purpose, it's clear that the **rough, demanding rancher** has to **take and taste her for her first time** himself. He will take the little hucow **deep and without protection**, using **toys** and **drinking his fill**.

The cowboy wants to give her the first **milking** of her life and show her how good it feels to be a hucow, **taken by tough men**. The outcome is **creamier** and tastier than she could have imagined!

Little Red: Hucow's First Time is the sixth book in the **Taking a Hucow** series and can be read as a standalone.

This **5,800+ word short story** focuses on a new human cow being taken by a muscled rancher and milked for the first time. This story includes cowboys, human cows, rough sex, plenty of backdoor action and an ample amount of dairy.
