Jimmy Sullivan has been living on the road with his brother, Jack, and his band The Unknown Souls. Without a place to call home, Jimmy and Jack lead a nomadic life filled with music and anonymous cities. When they return to a place Jimmy never wants to see again—their old hometown of Seaboro, South Carolina—he falls in love with Charlotte Carrington.

With his soul now filled with hope, Jimmy writes his first love song. When he performs it at a holiday concert to a standing ovation, the lyrics are dubbed the “Perfect Love Song,” so much so that Jimmy finds himself going on tour with famous country music stars, catapulted into a world where the trappings of fame and fortune reign supreme.

All too soon, the hope that had once inspired Jimmy to write such beautiful, genuine lyrics is overshadowed by what the song can do for him and his career. In his thirst for recognition, he agrees to miss Jack’s wedding in Ireland to sing at a Christmas Eve concert. And his ties to Charlotte seem to be ever so quickly slipping away.

Alone in New York City on Christmas Eve, Jimmy finally sees—with the help of a Christmas miracle or two—that his material gains are nothing compared to love, that he is losing all that really matters in his life. Is it too late to find his way to Ireland, to his brother, and to love?
