THIS information packed book takes you through all the steps of home buying, with plenty of helpful tips and "what to watch out for" guidelines along the way. Jewel Star was a million dollar producer in the real estate market at a time when the economy was crashing. "Working in the trenches" as her broker called it, was what gave her insight into the need for new buyers to understand the process for successful home buying. Buying real estate is much different than buying a car. It's fraught with difficulties. The more knowledge you have the better your chance of closing the deal. If you have purchased a home before and are looking for a brush up, you are sure to find some tricks and tips you may have not known before. A section has been dedicated to working with a Realtor®. Just as an accountant or an attorney, a Realtor® is a licensed professional. Understanding their roll will be to your advantage. There is nothing more satisfying than owning your own home and this book is the perfect guide for that to happen. COMING SOON is the BUYER'S KEY LIST workbook for using in conjunction with this book. You will be able to purchase it online as well.
