Freya Morgan thought it would be a great idea to hire the bad boy on campus to beat up her douchebag ex-boyfriend after he cheated and treated her like crap. Fast forward a few months, and nothing she's done has helped her get over the scars left behind by her ex. Not the paid beating, not the string of sucky dates, nothing. Dean Collins is in trouble, and it's all Freya's fault. After all, she started the trend of all the ladies on campus paying him to do their dirty work. But now, two of the boys he was hired to beat up are dead, and he's the only connection. When Freya agrees to help him find the real killer, she discovers that this bad boy isn't so bad, after all. And getting involved with him means more than finding a killer, it means potentially losing her life...and her heart.
