June

Reverend Jen

June Reverend Jen

Set in early '90s New York City, *June*, the novel, tells the story of a young artist named Alice who takes on work as a professional submissive in a Manhattan S&M dungeon. Alice adopts the workplace pseudonym "June" and soon after, the erratic lifestyle of a sex worker. Featuring a cast of characters ranging from her artist friends on the Lower East Side to her millionaire clients on the Upper East Side, it sheds light, not only on the all too common hypocrisy of the wealthy, but also on the fact that we are often happiest when we have nothing to lose. June's character is never a victim but a young woman with a writer's curiosity, no rent money and an ass made for spanking. Unflinching, debauched and full of heart and soul, you'll need a very large box of Kleenex just to get through the first couple chapters. Based on Rev. Jen's own experiences in the industry, *June* offers humor, honesty and a firsthand account of the fetishes, obsessions and desires of grown men.

From reader reviews:

Carrie Grogan:

Do you one among people who can't read pleasant if the sentence chained in the straightway, hold on guys that aren't like that. This June book is readable by you who hate those perfect word style. You will find the information here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to provide to you. The writer regarding June content conveys thinking easily to understand by a lot of people. The printed and e-book are not different in the content material but it just different by means of it. So , do you even now thinking June is not loveable to be your top listing reading book?

Robert Stewart:

Reading a book can be one of a lot of exercise that everyone in the world enjoys. Do you like reading book so. There are a lot of reasons why people like it. First reading a guide will give you a lot of new information. When you read a reserve you will get new information since book is one of many ways to share the information or perhaps their idea. Second, looking at a book will make an individual more imaginative. When you reading through a book especially hype book the author will bring one to imagine the story how the personas do it anything. Third, you can share your knowledge to others. When you read this June, you are able to tells your family, friends and also soon about yours book. Your knowledge can inspire the mediocre, make them reading a reserve.

Jacqueline Kang:

June can be one of your nice books that are good idea. All of us recommend that straight away because this publication has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The copy writer giving his/her effort to put every word into joy arrangement in writing June yet doesn't forget the main level, giving the reader the hottest in addition to based confirm resource information that maybe you can be certainly one of it. This great information may drawn you into fresh stage of crucial contemplating.

Florence Williams:

It is possible to spend your free time to study this book this book. This June is simple to deliver you can read it in the area, in the beach, train and also soon. If you did not get much space to bring often the printed book, you can buy the actual e-book. It is make you much easier to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.
