Ray Mears Vanishing World Ray Mears

Ray Mears has traveled the world for much of his life and has visited some of the most remote and beautiful locations on the planet. Collected here are a selection of Ray's stunning photographs of the landscapes and indigenous cultures he has encountered, each of which captures an astounding instant of life. Brief explanatory passages accompany the photographs and provide details about the origins, history, and environment of each location. Together these photographs reveal a dramatically changing planet and provide inspiration for environmentalists and travelers alike.
