Strategies for Defending Internet Pornography Cases is an authoritative, insider's perspective on mounting a defense against charges of possession of Internet pornography. Featuring defense attorneys from across the country, these experts guide the reader through the key considerations necessary when investigating accusations of Internet crimes and examine the complex technology issues at work. Discussing the challenges of defending these technology-driven cases, the authors explain the concepts of shareware, unintentional downloading, digitally altered images, and temporary Internet file folders as they relate to false claims of Internet pornography possession and offer advice on selecting an appropriate defense strategy. From overcoming the public perception of pornography through your defense to utilizing computer and psychological experts, these top lawyers walk the reader through the steps of a case from initially meeting with a client and developing a trusting relationship to reviewing settlement and appeal options. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to navigating this sensitive area of law made more complex in the digital age.

Inside the Minds provides readers with proven business intelligence from C-Level executives (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies nationwide, rather than third-party accounts from unknown authors and analysts. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is headed and the most important issues for the future. Through an exhaustive selection process, each author was hand-picked by the Inside the Minds editorial board to author a chapter for this book.

Chapters Include:

1. Robert Perez, Attorney at Law, The Law Office of Robert Perez - "Defending Child Pornography Cases"
