When Jason Stenstrom, a neighborhood pharmacist, agrees to be the executor of an elderly couple's wills, he has no idea what's in store for him. Milton and Constance Hoberg had nobody in their lives with whom to entrust this responsibility so they asked this big favor of their pharmacist. Little does Jason know that he's stepping into a viper's nest of secrets and betrayals. As Jason tries to fulfill the pledge he had made to the Hobergs he learns a lot about them, but not everything. The private lives of Milton and Constance and their families were just that. Private. Jason was not privy to their life histories, but you, the reader, will be. *Where There's a Will* is an erotic journey through a family's history, a titillating story of legal maneuvering, intrigue, and sex, with many surprises. Can Jason complete his task? Author's note: Due to strong language and sexual content, this book is not intended for readers under the age of 18.
