## **Barcelona ! (French Edition)** Tom Burns

Une théorie prétend qu'il suffit de six poignées de main pour relier une personne à une autre, où qu'elles soient dans le monde. Appliquant cette théorie au roman, Grégoire Polet représente Barcelone à travers une vingtaine de personnages, dont les destins se croisent, se tressent, se perdent et se retrouvent. De 2008 à 2012, alors que les Espagnols s'enlisent dans la crise économique, que les indignés se lèvent et que l'indépendantisme commence sa grande remontée, nous suivons la vie privée des personnages, leurs points de vue, leurs soucis et leurs aventures, leurs ambitions, leurs croyances, bien souvent contradictoires. Au centre de cet écheveau d'intrigues, Barcelone en majesté : son architecture, son histoire, son fonctionnement politique, ses atmosphères. Dans la veine de Madrid ne dort pas et de Leurs vies éclatantes, une veine à la fois lyrique et précise, étincelante de vie, Grégoire Polet déploie son art du récit et des dialogues pour rendre à Barcelone toute la joie et la passion qu'elle lui inspire.
