(Fanpostal Novel #6): This is the fifth fanpostal novel to be published. Within its pages is the full account of an entire GM adventure from the very beginning to end, including every word spoken by the GM, players and characters during a real fantasy role playing game run at the Blue Frog Tavern Yahoo Club and archived by David Assaf. As with all previous volumes, this book also contains the characters' stats, and is very different than any normal novel. "Khazan's (in)famous delvers stumble across an ancient text detailing a weapon of awesome power, and so he assembles a band of treasure-hunters and adventure seekers, with the ostensible design to uncover the artifact. But what are they really after?" This is a series of fanpostal adventures that could be used by any Game Master, someone learning to role play, or just be read for fun. This book can be used with any fantasy role playing game system.
