Time Stands Still: Emi Lost & Found Series : Book Two Lori L. Otto

Emi Lost & Found series - Winner of the Best Happily Ever After of 2013 - HEA Bookshelf “Intense doesn't begin to cover it. I cried. I sobbed. I bawled. A lot. Constantly. Take my word when I say that you and Emi will become one. I felt every emotion as if I was in the story. I could have been Emi.” - Kelli, Alphas, Authors and Books Oh My Emi Hennigan could never have predicted her life would be like this. After wasting more than ten years being “just a friend” to her true love, Nate Wilson, Emi feels more than a little regret. Her future was set, though. Nate loved her as much as she loved him, and they were moving forward with a romance that took them both by surprise. They already knew their bad habits, quirks and the subtle nuances of expressions, but the love was all-encompassing and new to them both. No man could compete, Emi thought, until one night – one evening, one party, one journey, one second alters her course completely. That night, her brother’s confident best friend, Jack Holland, comes back into her life with a mission: to spend more time with Emi to prove he is the right man for her. A romance with him is the furthest thing from Emi’s mind, though, staying loyal and steadfast to a trusted man that she will always love. In a year’s time, though, Emi must learn to make changes she’d never before considered after being impacted by unexpected events. While her fragile spirit takes time to heal, Jack slowly finds a comfortable place in her life. Only time will tell if it’s right for Emi – and enough for him.
