Transforming Leadership: Jesus' Way of Creating Vision, Shaping Values & Empowering Change

Leighton Ford

A book for leaders, by leaders, about the greatest leader of them all.

In our rapidly changing and ever more complex world, we suffer a crisis of leadership. Leighton Ford sees the growing dearth of bold leaders--in the marketplace, religion and public life. In this powerful book, Ford calls Christians to be transformational leaders.

Many leaders work within situations; transformational leaders change situations. Many leaders accept what can be talked about; transformational leaders change what can be talked about. Many leaders talk about payoffs; transformational leaders talk about goals. Many leaders bargain; transformational leaders appeal to a common vision.

Ford realizes that desperately needed Christian and transformational leadership will not emerge until we have a model of the transforming leader. And what more powerful example of leadership could there be than Jesus? Insightfully examining Jesus' work and the best recent books on leadership, Ford presents

- the leader as strategist
- the leader as seer
- the leader as seeker
- the leader as servant
- the leader as struggler
- the leader as sustainer

Executives, pastors, managers, professionals--all will benefit from this fresh, in-depth treatment by a man who is himself one of the world's finest Christian leaders.
