Before Siam: Essays in Art and Archaeology

Before Siam: Essays in Art and Archaeology

The birth of Siam has been traditionally marked by the founding of the great city-states of Sukhothai and Ayutthaya respectively. These civilizations, however, grew out of a rich milieu of cultures and traditions in the region present from as far back as prehistoric times. Whether the Mon Buddhism that flourished during the so-called Dvaravati period, the architectural heritage of the Khmers or the Brahmanical and Mahayana stimuli of the Malay Peninsula, these varied aspects and influences came together to shape what became early Siam and today modern Thailand.

The aim of this peer-reviewed publication is to present new research and discoveries to reconstruct the cultures, religious persuasions and artistic traditions in pre-modern Thailand and its neighboring regions. With varied contributions by renowned experts, the public and academics alike will gain a richer and more multifaceted appreciation of this early history which played such a formative role in the birth of Siam.
