Landslide NJ Cole

Senator Maxwell Joseph has it all—money, power, and good looks—the trifecta when it comes to attracting the ladies. He even has women willing to be tied up, spanked, and completely at his mercy, all while calling him Daddy, fulfilling his secret fantasy. On the night of his thirty-fifth birthday, Max finds a goddess waiting for him in his hotel room. She is beautiful, sexy, and very willing, yet the fruit she offers is very forbidden. Not only is she barely legal at nineteen, but she also happens to be the daughter of his best friend and political advisor. Mackenzie Wade has had a crush on the senator for years. When an overheard phone call affords her the opportunity she needs to make her fantasies a reality, Kenzie jumps at the chance, offering herself as a birthday gift. Throwing caution to the wind, Max gives in to temptation and gives them both what they have been yearning for—a night filled with ropes, floggers, and toe-curling sex. Although satiated, one night of passion isn't enough for either of them, and they begin a clandestine affair. For Maxwell, the solid ground on which he's built his career starts to shift as his hopes and dreams for the future begin to change. In what can only be described as a landslide, Max holds on tight to the only thing that he can—Kenzie. He goes on the ride of his life, knowing all along that in the end, he may have to make a gut-wrenching decision between the woman of his dreams and a path to the White House.
