Kai Chandler has it all. A thriving tech business, movie star friends, and a mansion in the Malibu hills. But he's lonely, nursing a broken heart and reeling from a shocking breach of trust. Then a friend tells him about a secret chateau outside Paris where they train women in the erotic traditions of the Code d'Odalisque. For a million a year, Kai can choose a sexual servant to use at will, a woman thoroughly trained in the pleasuring of men. Kai makes the trip and, in the course of touring the facility, meets Constance, a shy and strangely quiet odalisque. He decides to acquire the beautiful woman and bring her to his home. Constance and Kai delight in their voyage of erotic exploration as he plays undisputed Master to her slave. But soon they find themselves forming an increasingly emotional connection, with the end of Constance's term of service looming over their heads. Jealousy, fear, regret and longing threaten to tear the lovers apart, and they must choose between the safety of the Code and the risk of true love and trust. Publisher's Note: This book contains sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, m/f/m menage, group sex, BDSM scenes, and swinging/partner swapping.
