## **Perdidos en Frog (Spanish Edition)** Jesús Miguel Soto

Frog es un poblado que no aparece en los mapas, sus noches son de color plata, sus habitantes esquivos se expresan a través de sonidos guturales y jaurías de perros mudos resguardan sus fronteras. Frog es una tumba, es una trampa... es un lugar para terminar de extraviar a aquellos que ya andaban perdidos.

Frog le da el título a este conjunto de quince relatos breves caracterizados por sus historias, personajes y paisajes extremos; entre ellos, la de un grupo de amigos que fundan un país dentro de los confines de un apartamento, un escritor obsesivo que acosa a un crítico literario por no haber reconocido el mérito de su obra, un crimen que está por ocurrir pero que se cuenta como si ya ocurrió, un crédulo solitario que explica su entorno desde la lógica de la ciencia ficción, y una caja de contenido inescrutable que aparece repentinamente frente a una puerta.

Entre lo fantástico, lo extravagante y la realidad en su versión más cruda estos relatos se erigen como un sinuoso sendero en el que el lector puede aventurar su propio extravío.

\*La primera edición impresa del libro fue publicada en 2012 bajo el sello editorial Libros Lugar-Común. La que acá presentamos es la segunda edición.
