Slow Boat from China is everything one could want out of a sailing narrative. A couple decides to escape from the rat race to the freedom and adventure of a life aboard. Sailing from Hong Kong to Vancouver, B.C. on MOONSHINER, a 37' steel ketch, they encounter colorful natives and awesome landscapes, describing them in great detail. They are delayed by mechanical problems, powerful storms, and corrupt customs officials. The crew – their dog, Fluke – adds charm and humor as they stop in exotic ports in Southeast Asia, Africa and Europe. After a 3-year stopover in Holland to replenish the cruising kitty, they leave for Canada and home.
