Nabi dedicated his life to learning the security trade from one of the best, Ahmed Mueez. After seventeen years, Nabi has established an amazing career as an elite soldier and investigator in the small town of Keeneston, Kentucky. However, his pursuit of the perfect career left him with little time to find love. He longs to start a family as he watches his mentor's children, Abigail and Kale, come into their own. When Nabi wakes for yet another birthday alone, he decides it's time to do something about it.

Kindergarten teacher Grace Duvall thought she'd never get a second chance at love. Just as she was ready to give up, fate stepped in. Fate, or Abigail Mueez as she's known around Keeneston, has something else in mind for this sweet teacher. With a little help from Abby and her friends, a pitcher of spiked sweet tea, and some breaking and entering, will Nabi and Grace discover they are perfect for each other and get their own happily ever after?
