Jane's Vintage Aircraft Recognition Guide Tony Holmes

This is a handy and comprehensive directory of all the aircraft ever produced prior to 1945. Although compact in size, the guide provides all the essential information on vintage greats of the aviation world. Organized chronologically, this title captures the rapid developments in flight technology and design, as well as detailing entries the actually don't exist today. Descriptions, photography and specification details combine to make this the most useful guide for any aviation enthusiast who wishes to study vintage aircraft and an airshow, museum or home.
