Nighthawk Alan Monroe

Legend, greed, and terror all intersect at the ghost town of Nighthawk.

Sheriff Will Davis leads a rescue party up a lonely mountainside in search of his friend and deputy, Tom Roundtree. The evil he encounters on the mountain tests his courage, faith, and loyalty to his friends when he comes face to face with what he's always known as a myth. Davis finds himself in a struggle for his life against the legendary Sasquatch, but the creature is far more twisted and evil than he could have imagined. Isolation has turned the beast into a malevolent force of nature bent on destroying all who cross into its domain.
