Jessica Spaulding works for Magnate, her father's multi-billion-dollar investment firm. But her life of privilege comes at a high personal cost, requiring her to keep aspects of herself under wraps.

Magnate's new intern, TJ Blake, leads by example. The sole guardian of her teenage sister, TJ juggles work, graduate school, and debt, never taking "something for nothing."

As TJ discovers there's more to Jess than she lets on, her pride and notions about wealth run headlong against her growing feelings for Jess. Jess starts falling for TJ but doubts she's principled enough for her. When Jess uncovers a dark secret, will she do the right thing, even if it means losing everything—including any chance at love?
