Muse of Fire

John Scalzi

Muse of Fire John Scalzi

Ben Patton is a genius, a mathematician and a man on the verge of a scientific discovery that could change the world -- if the math he's invented for it works. Ben's secret to his success: A muse, Hestia, who helps him, cares for him and in many ways is the love of his life, as muses so often are for those they inspire.

Hestia is Ben's secret -- but Hestia has secrets of her own. As the two of them race toward the completion of their work, Ben discovers the price of having a muse, and learns that the world can change, in ways he does not expect.

A tale of science and fantasy, from New York Times best-selling author John Scalzi.
