My Life Without Garlic (The Vamp for Me) Bailey Bradford

My Life Without Garlic by Bailey Bradford

Book one in The Vamp for Me series

Some things in life just might be worth giving up garlic for.

It was simple curiosity that led Augustin to the vampire dating site—he thought it must be a joke started up by a bunch of weirdos. Man, was he right—but it just so happens that those weirdos really are vampires, and when one shows up at his place, Augustin’s world is turned upside down.

First he’s got a psychotic vampire to deal with. Then he’s got one who is much more fun hanging around.

Except now that Augustin knows that vampires exist, he can’t be left alive. Or can he? When an alternative is offered up, Augustin doesn’t care for it, either. After all, he doesn’t want to be whisked off to some disgusting vampire den.

Tony’s the vampire next in line to lead the coven. He wants to be a fair man, and that means arguing against killing Augustin. If he’s also attracted to the sarcastic, adorable man, where’s the harm in that?

The attraction between Augustin and Tony is undeniable, but deny it is what they both try to do. Someone is going to have to bend or break.

The Vamp for Me series

Vampires exist, but let's not tell everyone! There are zombies and shifters, ghosts and other spooky creatures in existence, too.

But vampires hold a mysterious, spooky, yet sexy, place in our imaginations.

A single vamp does best with a mate, but finding a willing human can be tricky, and once mated, the pair are stuck with each other, for the most part. That can be a good thing for a couple in love.

And it can be an adventure, finding that person for a vampire to love.

About Bailey Bradford

A native Texan, Bailey spends her days spinning stories around in her head, which has contributed to more than one incident of tripping over her own feet. Evenings are reserved for pounding away at the keyboard, as are early morning hours. Sleep? Doesn't happen much. Writing is too much fun, and there are too many characters bouncing about, tapping on Bailey's brain demanding to be let out.

Caffeine and chocolate are permanent fixtures in Bailey's office and are never far from hand at any given time. Removing either of those necessities from Bailey's presence can result in what is known as A Very, Very Scary Bailey and is not advised under any circumstances.
