Relationships - Dating Advice for Women to Understand and Get the Guy...

Are you ready to start a dating game with him? And are you ready to catch him and keep him? Discover inside this women dating guide to have healthy relationships in an adult dating environment.

In this book you will find out how to make him love you instead of just want to have sex with you. What do you think is the first step when it comes to relationships between a man and a woman?

The first step to get in a relationship with a man is getting inside his head!

That's right he needs to think about you, he needs to question about you. A man needs to be intrigued, and when you achieve it he needs to feel an impulse or urge to connect with you.

Many women make the error of thinking that if a man finds them good-looking, they are on the way to a relationship. Even though they know deep down that the path may be full of twists and turns, still they think that attracting the man is the first step. But it's not the first step.

Attracting the man is the very first step to have sex with him, and that's about it.

When a guy finds you good-looking, he wants to touch what he sees, you may have sex if the attraction is mutual.

After that, what you've got is a scratch on your mind for having sex with a cute guy.

Buy giving yourself to a guy you don't have the beginnings of a relationship.

With this dating guide is to help women understand how valuable they are looking for Mr. right, and find true love after you understand how to value yourself, you are respected and desired to be in a relationship with any Man!

Scroll up, buy this book and change your life today!
