Cain Dennison lived his young life in a dysfunctional family and spent his younger years in foster homes, where he met his lifelong friend Byron (Bronc) Mclosky. After the death of Cain`s mother, a chance meeting with a rodeo cowboy on his way to a rodeo set Cain and Bronc on their way to a new life. At that point in their life they would never know where their life would take them; rodeos all over North America, discovering the talent and hard work they both had to make a life they never had. At a rodeo in Seattle Washington, Cain meets the love of his life, a beauty that caught his eye and his heart. But theirs was a forbidden love. She was a pop star in the making, her career was growing faster than she could Imagine and Angel Courtney did not imagine the great lengths her manager would go to make Angel his financial slave. The story builds to the last battle between the friends and family of Cain Dennison and the men and woman that called him his friend, and the manger who swore they would not stop him from becoming even more wealthier than he already was.
