At Death It Begins (ADIB Book 1) Elle Jefferson

Lendyn Hughes' grandmother has kept a secret from her for thirty-one years, who Lendyn's parents are. A devastating break-up following her grandmother's death leaves Lendyn alone, confused, and determined to find answers. Armed with only a name Lendyn attempts to unfurl the branches of her family tree never guessing it would put her life in danger.

For over two hundred years Englishman Callum Scott lived a life surrounded by beauty. A life free of annoying human emotions. That is until the American showed up. Lendyn flipped his world upside down and put him in the worst sort of jeopardy. He's starting to feel things and a blood-sucker can't afford to feel.
