Fisica del alma, La (Spanish Edition)

Goswami, Amit

Fisica del alma, La (Spanish Edition) Goswami, Amit

Al fin, la ciencia y el alma se dan la mano. El Dr. Amit Goswami, con un estilo tan lucido como encantador, tan divertido como profundo, utiliza el lenguaje y los conceptos de la fisica cuantica para estudiar y demostrar cientificamente las teorias metafisicas de la reencarnacion y la inmortalidad. En La fisica del alma, Goswami nos ayuda a comprender el modelo de realidad de la fisica cuantica y las profundas creencias de las milenarias tradiciones espirituales y religiosas del mundo. El resultado es una vision cosmogonica amplia, excitante y rica que integra por primera vez en un sistema coherente mente, espiritu y ciencia. / Can the bizarre and probabilistic world of quantum physics be used to prove the existence of the soul and its immortality? In *Physics of the Soul: The Quantum Book of Living, Dying, Reincarnation, and Immortality*, Amit Goswami (The Self-aware Universe; Quantum Creativity; etc.) details how cutting-edge science might be used to answer questions that religions have grappled with for millennia. The author hypothesizes that a "quantum monad" is involved in reincarnation, and draws upon UFO sightings, past-life regression, ghosts and angels to broaden the applicability of his ideas. New Age buffs should find this book appealing.

From reader reviews:

Brian Price:

What do you think about book? It is just for students because they're still students or that for all people in the world, exactly what the best subject for that? Only you can be answered for that issue above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't would like do that. You must know how great in addition to important the book Fisica del alma, La (Spanish Edition). All type of book would you see on many resources. You can look for the internet sources or other social media.

Martina White:

What do you in relation to book? It is not important with you? Or just adding material if you want something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Everybody has many questions above. They must answer that question simply because just their can do in which. It said that about guide. Book is familiar on every person. Yes, it is right. Because start from on guardería until university need this specific Fisica del alma, La (Spanish Edition) to read.

James Harris:

In this 21st hundred years, people become competitive in most way. By being competitive at this point, people have do something to make these people survives, being in the middle of the actual crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated it for a while is reading. Yes, by reading a reserve your ability to survive improve then having chance to remain than other is high. For you who want to start reading the book, we give you this Fisica del alma, La (Spanish Edition) book as beginning and daily reading book. Why, because this book is more than just a book.

Keith Mayo:

What is your hobby? Have you heard that will question when you got college students? We believe that that query was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And you know that little person including reading or as examining become their hobby. You must know that reading is very important as well as book as to be the factor. Book is important thing to increase you knowledge, except your own teacher or lecturer. You will find good news or update about something by book. Different categories of books that can you choose to use be your object. One of them is actually Fisica del alma, La (Spanish Edition).
