A big diamond ring. Gold hidden in a bank vault. And a mother-in-law with high expectations. Nick thought uncovering his biological father's hidden secrets was difficult, but it is nothing compared to planning a wedding. How could picking out flowers and the color of a bridesmaid dress cause so much chaos? A private jet, really? Nick is unprepared and overwhelmed. Plus his brother and sister have big problems in their own lives. He has to find solutions to help the people he cares about, to make things right. But he is an ordinary man who just happened to fall in love with an extraordinary woman. Can love see them through? What about the gold? Nick fears the fortune he discovered in "Letters from the Heart" just may be the biggest problem of all.
