Ikigai

Sebastian Marshall

Ikigai Sebastian Marshall

The word IKIGAI comes to us from Japan--land of the samurai, intense death-defying effort, masterful artistry, harmony with nature, and devoting yourself obsessively to a path.

Ikigai's closest meaning is **raison d'être** in French--what one lives for, what makes your life worth living, why you inhale and exhale each breath.

But Ikigai goes further than that, to the point where your passions and obsessions can consume you ... think of the artist or inventor all-consumed by his work, the boxer who lays his body and mind on the line in every fight, or the gardener whose mind is perfectly still among his creation.

Have you found your Ikigai yet? This book is for you.

In a series of essays on philosophy, history, strategy, planning, and achieving, this book is about living purposefully and with meaning.

From reader reviews:

Orlando Bush:

With other case, little individuals like to read book Ikigai. You can choose the best book if you love reading a book. So long as we know about how is important a new book Ikigai. You can add expertise and of course you can around the world by just a book. Absolutely right, mainly because from book you can know everything! From your country until foreign or abroad you will end up known. About simple matter until wonderful thing you can know that. In this era, we can open a book as well as searching by internet product. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's go through.

Thomas Brim:

Book is written, printed, or outlined for everything. You can learn everything you want by a publication. Book has a different type. As we know that book is important point to bring us around the world. Close to that you can your reading expertise was fluently. A guide Ikigai will make you to end up being smarter. You can feel more confidence if you can know about almost everything. But some of you think that open or reading the book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you trying to find best book or ideal book with you?

Terri Mitchell:

In this 21st one hundred year, people become competitive in every single way. By being competitive today, people have do something to make these individuals survives, being in the middle of the crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated this for a while is reading. Yep, by reading a reserve your ability to survive boost then having chance to stand up than other is high. For you who want to start reading a book, we give you this particular Ikigai book as nice and daily reading reserve. Why, because this book is more than just a book.

Ana Worcester:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many concern for the book? But just about any people feel that they enjoy for reading. Some people likes examining, not only science book but also novel and Ikigai or others sources were given expertise for you. After you know how the fantastic a book, you feel need to read more and more. Science reserve was created for teacher or perhaps students especially. Those books are helping them to include their knowledge. In other case, beside science guide, any other book likes Ikigai to make your spare time a lot more colorful. Many types of book like this.
