## **Les Pirates de l'Arizona (French Edition)** Gustave Aimard

- Bibliographie - Ses principales œuvres Extrait : Le nouveau récit que nous entreprenons aujourd'hui de faire à nos lecteurs se déroule tout entier dans l'Arizona, ancienne province du Mexique, annexée par les États-Unis, après tant d'autres, à leur colossale confédération, sans autre droit que celui de la force. Toutes les tentatives des Anglo-Saxons pour faire pénétrer la civilisation moderne dans cette terre rebelle furent faites en pure perte ; le gouvernement de Washington fut contraint d'y renoncer. Aussi aujourd'hui l'Arizona est-elle restée ce qu'elle était lorsqu'elle se nommait Cibola et que Cabeza de Vacca la découvrit au prix de fatigues et de périls terribles ; c'est-à-dire une contrée mystérieuse, pleine de légendes sinistres, de prodiges effrayants et inexplicables ; peuplée d'animaux inconnus et féroces, ne ressemblant à aucuns autres ; dont le sol bouleversé est rempli de ruines de toutes sortes laissées par des peuples inconnus et qui depuis des siècles ont disparu. Aussi les plus braves coureurs des bois ne se risquent qu'en hésitant et avec une terreur secrète, à s'enfoncer dans ces forêts presque impénétrables, vieilles comme le monde, au fond desquelles on retrouve d'autres ruines qui servent de repaires aux fauves les plus redoutables et semblent avoir abrité des géants dans les anciens jours de la création. Ces déserts inexplorés, qui s'étendent à l'infini, renferment une nombreuse population nomade, composée des éléments les plus hétérogènes, hostiles les uns aux autres et se faisant une guerre sans merci, où le sang coule comme de l'eau sous les prétextes les plus futiles. Voici quelle est la population de l'Arizona
