## **Rhymes with Reason** Neville Peace

Rhymes With Reason is a compilation of poetry based on the author's personal experiences or observations of the world around him. Hence, the poems 'Cancer' and 'Dementia' were written when the illnesses touched his life and 'Alf's Amble' was penned after the author completed Wainwright's coast to coast walk. Neville Peace doesn't sit down to write poetry but waits until an idea presents itself, resulting in poignant and insightful compositions. Some of the expressive verse will make you laugh, some will make you think, while others will strike a chord of recollection, but all of this varied collection will keep you engrossed and entertained.
