### TESTIMONIALS:

According to the Bible, one of the causes for dreams is divine communication (or divine intervention) and Ruthanna will lead the reader to a practical understanding and ability to make sense of how God speaks to them in their dream. One should approach the reading of this book with a sense of sacredness. You will be a better person for applying the simplicity of Ruthanna's message, for one of the secrets of success in life is being able to turn non-meaning into meaning. Reverend David Johnston King of Kings Christian Church Jacksonville, Florida

We loved Ruthanna's book! In these trying times, it's crucial for Christians to realize God still speaks to His people – and that dreams are one way He does it. Dr. Tom and Sylvia Croft Morningstar Christian Ministries Keystone Heights, Florida

Ruthanna's book on how God speaks through our dreams is FAN-TASTIC! I wish she'd written this years ago. Right after I finished reading it, I had a dream that was easy to interpret because of what I had just read. The dream revealed that I would go through some serious trials without being hurt. Shortly thereafter, the trials began. I was glad I had read Ruthanna's book and had been prepared. As a result, I was able to face those trials with the advance knowledge that I would come through them victorious and unhurt! Had I not been prepared, I might have fallen into discouragement, depression, even defeat. I kept remembering my dream and was encouraged instead! YOUR DREAMS: Is God Trying To Tell You Something? That question can be answered with an enthusiastic 'YES!' Dr. Stephen Brodowski Fusion Energy Researcher
