FASTSIGNS BUSINESS OPPORTUNITY: As featured in 12 Amazing Franchise Opportunities for 2015 (Franchise Business Ideas) Dr. John P. Hayes

If you want to start a business, you don't have to take extra risks because there are at least 3,000 different franchise opportunities in North America alone. It's easier to find a business idea that you like among those franchises and ask the franchisor to teach you how to successfully operate the business than it is to develop a business idea of your own and risk trying to make it work. In fact, most people who choose the latter decision fail! Besides, why reinvent the wheel? There are many amazing business ideas that already exist as franchises, and one of them is FASTSIGNS. In this book, I not only tell you about the FASTSIGNS opportunity, I also help you decide if franchising (and FASTSIGNS) makes sense for you. If it does, and if you like the idea of operating a business-to-business service enterprise then I offer trusted and valuable guidance about how to explore the FASTSIGNS franchise opportunity.

Pros and cons of franchising, questions to ask before you invest, the importance of the franchise disclosure document, how to raise money if you need capital to buy a franchise, how to test your personality for franchise compatibility, and much more . . . I promise you'll find tremendous value in this book!
