How to Get Stupid White Men Out of Office: The Anti-Politics, Un-Boring Guide to Power

How to Get Stupid White Men Out of Office: The Anti-Politics, Un-Boring Guide to Power

Anyone can write a rant against the state of American democracy today. Anyone can talk trash about politicians, or bemoan the apathy of the electorate, the low turnout, the low attention span, the cynicism. How To Get Stupid White Men... is a guide to getting off one's cynical ass and doing something about it. Over the past six months, William Upski Wimsatt has been working with a group of people who have hitherto engaged in myriad forms of social work and political activism to develop a strategy that will effect positive change on American society through the electoral process. Rather than taking to the streets, rather than "bombing [graffitting] the suburbs," Wimsatt and his colleagues plan to "throw the bums out." This book will tell the story of 19 such cases over the past couple of years and outline all the potential races for 2004, describing the tactics to be utilized in an array of contested races across the country by creating coalitions of gay, enviro, Black, Latino and other young groups of voters. The goal is to make this the most useful politically life-changing book any 15-35 year old could read this election year.
