From Amazon Bestselling Author, Jude Ouvrard

Levi Munroe's life consists of his friends Tyler and Kyle, a lot of ink and having a good time, but most importantly, his heart only has one reason to beat, Nix.

Phoenix Silverstone came into his life and put him through an emotional roller coaster. No one knows what they sign up for when they fall in love, and Levi is no exception. Dealing with his girlfriend's negligent biological father, and her old demons returning to tempt her, Levi has way more on his plate than he bargained for. It can break them or make them stronger.

Both getting to know each other more, they fall deeper in love and are ready to take on the next step. With their wedding approaching, Levi wants what is best for her. A time apart turns out to be exactly what Nix needs but in Levi's world, it means moping around missing the girl of his dreams.

More love, more ink, more Kyle and definitely a whole lot more of Levi. Can Nix and Levi survive the reality of their life together or will it break them apart?
