Peace In My Mind is the third book from author Kelly R. Jackson. In this book, he explores the many facets of the mental and spiritual sides that make us whole. In the first half of the book, this author offers humorous insight into things like why he isn't married, his 'split personality', the mind of man, who's the boss in a marriage, what a man's role should be in wedding preparation and things you don't do when visiting Eagle, Colorado. The second half of Peace In My Mind takes a more serious look at some issues facing our society. The book shifts focus and explores the changes we've seen in our churches, the changes we should seek within ourselves, how we've allowed greed and selfishness to corrupt the black race and the difference in 'government aide' for two great American tragedies, 911 and Hurricane Katrina. Peace In My Mind will make you laugh and make you stop and think. It will also make you re-evaluate your life and your priorities through the words of a man that was simply thinking out loud once again. Through his quest for peace in his own mind, this author hopes to help you find peace in yours.
